

I oppose media concentration!

I am writing to you today to comment on the new proposal to consolidate the media ownership laws. I strongly oppose such media concentration.

The right to conduct an informed debate and discussion of current events is part of the founding philosophy of our nation. Our forefathers believed that democracy was renewed in the marketplace of diverse ideas. If the FCC allows our media outlets to merge and consolidate further, our ability to have an open, informed discussion from a wide variety of viewpoints will be compromised.

I urge the FCC to preserve the public interest by keeping the media ownership rules in question intact.

With the serious impact these rule changes will have on our democracy, it is important that the Commission take the time to review these issues more thoroughly and allow the American people to have a meaningful say in the process.

Thank you.

Sincerely yours,

Constance E. Longacher
